hereby request for issuance of Biosafety Permit for Commercial Propagation for the genetically modified (GM) plant/plant products describe below

Designation	Regulated Article	Donor Organism	Host Organism	Vector or Vector Agent	Constituents of the Regulated Article
Common Name	Bt11	<i>cry1Ab</i> <i>pat</i>	Corn	transformation plasmid: pZO1502	35S promoter, <i>cry1Ab</i> , <i>pat</i> , <i>nos</i> terminator
Scientific Name	<i>Zea mays</i> L.	<i>Bacillus thuringiensis</i> <i>Streptomyces viridochromogenes</i>	<i>Zea mays</i> L.		
Trade Name					
Other Designations					

* The following supporting documents are attached:

1. Certification from the BPI 1) for new application, that the regulated article has undergone satisfactory field

trial in the Philippines, 2) in cases of renewal, a certified true copy of the expired Biosafety Permit for Commercial Propagation

2. A technical dossier consisting of scientific literature, unpublished studies or data from tests performed, or such other scientific materials relied upon by the applicant to show that the release for commercial propagation of the regulated article does not pose greater risks to biodiversity, human and animal health than its conventional counterpart;
3. Copy of the proposed Public Information Sheet for Commercial Propagation (Annex "D") including information required for evaluation of environmental and health impacts;
4. Information on socio-economic, cultural and ethical considerations;
5. Field trial report;
6. Project Description and Environmental Risk Assessment as prescribed by DENR-BC;
7. Environmental Health Risk Assessment as prescribed by DOH-BC;
8. Applicant's Risk Assessment Report;
9. Import Permit (when applicable); and
10. Proof of payment of fees.

The undersigned certifies that based on his/her personal knowledge and/or authentic documents: (i) all the information in this application are true and correct; (ii) this application contains all information and views on which to base a decision and includes relevant data and information known to the applicant which are unfavorable to the application. The undersigned likewise warrants that the Regulated Article is to be imported solely and exclusively for commercial propagation.
