**MEMORANDUM**

To: **ALL CORN DEALERS**

From:   
**CLARITO M. BARRON, PhD, CESO IV**  
Director, Bureau of Plant Industry

Date: **May 26, 2014**

Subject: **LIST OF GM CORN APPROVED FOR PROPAGATION**

It has come to the attention of the Bureau of Plant Industry (BPI) that various agricultural farm suppliers are selling hybrid corn which are being claimed to be insect resistant and/or herbicide tolerant corn. To ensure that proper product stewardship of GM corn is being strictly complied by authorized entities, please be informed that the BPI has approved only the following GM corn with the corresponding permit holder and licensees.

Seed companies that are not in the above list are not authorized to sell GM corn. You are advised to inform the BPI through the Office of the BPI Director if seed companies which are not in the list are selling GM corn.

For your guidance.

Thank you.
